

Eagle Point School District 9

Code: **IA**
Adopted: 11/14/01
Readopted: 6/04/14

Instructional Goals

The district, in recognition of its educational responsibilities, will develop goals for guiding the instructional program. These goals will be developed by involving staff, parents and the community through such means as 21st Century Schools committees, local school committees and advisory committees in the decision-making and goal-setting process. Goals will be reviewed periodically and, where desirable, modified.

In supporting the physical and cognitive growth and development of students, the district will assist each learner to develop:

1. The ability to reason and apply knowledge;
2. The basic skills of reading, writing, math, problem solving and communication;
3. Strong, healthy bodies and emotional well-being and have a knowledge of physical and emotional health;
4. A desire for lifelong learning;
5. A thorough knowledge of the theory and practice of how our democratic society functions including the life principles on which the United States Constitution and Bill of Rights are founded;
6. Respect for the dignity, the rights and worth of all individuals;
7. Skills, experience and positive attitudes and the capacity to adapt to changing conditions;
8. Attitudes and behaviors necessary to develop, protect and use the resources of our environment;
9. The ability to live satisfying lives and to identify and abide by moral and ethical values;
10. A desire for the attainment of individual goals.
