4. Payment: Fall payments are due on or before the first Monday of October. This will allow Nutrition Services time to process all applications for free and reduced price meals program, and provide time for collection. For winter and spring athletes, payment should be received no later than one week before the Oregon School Activities Association's date for the first contests. Any student who has not paid or not had the fee waived by the first contest can no longer practice or play in a contest. If a student turns out after this date, he/she must pay the fee before being allowed to practice or play in a contest. Student activities fees must be paid within two weeks from the start of the activity. Receipts will be issued for all funds received (three copies: 1. Student; 2. Bookkeeper; 3. Athletic Director).
5. Waivers: Fee Waiver Request forms will be available in the school office. Waivers will be processed and directed by the building principal. The following students are eligible for a fee waiver after they receive the proper approvals.

 - b. Wards of a juvenile court or Oregon Department of Human Services, Community Human Services, unless funds for payment are in the agency's budget.

6. Refunds: Nonathletic activity fees are nonrefundable. Athletic activity fees refund requests will be considered only up to the mid-season date.
