Admission of Nonresident Students

Nonresident students may be admitted with tuition, with the exception of students who become “resident pupils” by one of the following methods:

1. By written consent of affected school boards (interdistrict transfer);
2. A foreign exchange student attending a district school on a J-1 Visa; or
3. A court order.

The amount of tuition will be established by July 1 of each year. Each admitted tuition paying student will be charged the same amount of tuition.

The district is not required to provide transportation outside the boundaries of the district. The student will be allowed to use existing bus routes and transportation services of the district. Transportation will be provided if required by federal law.

Consent for Admission of a Nonresident Student by Interdistrict Transfer

1. The notice of intent must be submitted electronically to the superintendent’s office.
2. The parent/guardian must obtain a release from the student’s resident district. Upon receipt of approval/denial from the resident district, the parent/guardian will be notified.
3. School preference will be considered, however, placement in district schools will be determined by district administration based on class size and availability of programs.
4. Enrollment of nonresident student may be revoked if district standards for attendance and behavior are not maintained.
5. Students receiving consent for admission may remain in the district until graduation¹. The student will not need to seek permission more than once from the same district of origin, to transfer to this district.

¹ The receiving district determines the length of time granted for a student of an interdistrict transfer by mutual agreement. The length of time determined by the receiving district must be applied the same for all students receiving consent by mutual agreement. The bracketed language represents only examples the district may consider. The district may insert whatever length of time they decide.

Consent for Admission of a Tuition Paying Student

1. The application for admission must go through the principal's office, which will then submit the petition to the superintendent's office.
2. Admission and annual renewal must be approved by the superintendent.
3. Admission of students paying tuition will result in a mutual tuition agreement between the parties and will be filed with the business office for billing and payment control.
4. The business manager shall prepare semester bills for all tuition paying students, and any student whose tuition remains unpaid 15 days after presentation of bills shall be excluded; the superintendent may grant additional time for payment should circumstances warrant it.
5. Students receiving consent may remain in the district for the current school year.
6. Enrollment of tuitioned students may be revoked if district standards for attendance and behavior are not maintained.
