

### Student Vehicle Use

Vehicle regulations are necessary because of the need for orderly parking and dangerous traffic conditions.

1. Any licensed driver may drive a vehicle to school provided that he/she obeys rules of the district and local and state traffic laws.
2. Permission to drive a vehicle to school may be revoked if the driver fails to follow district rules or local and state traffic laws.

The district may require all students parking vehicles on district property on a regular basis to show evidence:

1. That the student driving the vehicle holds a valid driver's license;
2. That the vehicle is currently registered;
3. That the student driving is insured under a motor vehicle liability insurance policy or other satisfactory proof of compliance with the financial responsibility requirements of the state;
4. That the vehicle is in compliance with district rules by displaying the appropriate sticker.

Parking privileges will be subject to the specific requirements of this policy and any other applicable policy and/or rules of the district
