Superintendent's Contract

The superintendent, upon appointment by the Board, will receive a written contract which will state the terms of employment such as compensation, benefits and other conditions. Contracts shall not be issued for more than three years at a time. The contract shall automatically expire at the end of its term. The Board may however elect to issue a subsequent contract for not more than an additional three years at any time.

The compensation and benefits for the position of superintendent will be fixed by the Board, based upon the responsibilities required of the superintendent in performing his/her duties.

Provisions for termination of the superintendent's employment, either by the Board or the superintendent, will also be set forth in the superintendent's employment contract. For a period of one year after termination of the contract the superintendent may not:

1. Purchase property or surplus property owned by the district or public charter school; or
2. Use property owned by the district or public charter school in a manner other than the manner permitted for the general public.

The contract will meet any requirements of state law.
