Code: **FE**
Adopted: 01/96
Readopted: 1/22/13
Orig. Code(s): FE

Facilities Construction

Scheduling the construction, renovation or remodeling of district facilities shall be in accordance with the district's long range plan for providing adequate instructional support buildings. When major projects are contemplated, the Board will engage an architect. A fiscal agent will also be engaged if a bond election is required in connection with a facilities construction project.

During the construction phase of a major project, an on-site supervisor will be employed by the Board to monitor all phases of construction. The on-site supervisor will certify that all specifications and codes have been met by the general contractor for the project.
