## Facilities Renovation

The Board's priorities for funding renovation of facilities are as follows:

**First priority** - protection of life and health; compliance with mandated requirements governing construction codes and fire safety requirements;

**Second priority** - direct support of the educational programs;

**Third priority** - all others.

Plans for new and remodeled buildings will be designed and offer accommodations to make them accessible to persons with disabilities. The Board will review construction plans to assure that new and remodeled buildings are made fully accessible.
