## Public Responsibility for Facility Usage

The Board supports the community education concept, which encourages the use of district facilities by community members for recreation, education, and service activities. A Building Use Request must be submitted by the person or group to the school office three or more days prior to the use date. Approval or denial will be granted by the school office in coordination with facility administrators. The original copy of the agreement will remain in the school office. Other copies will be distributed to the designated building administrator, building custodial staff and facility user.

Approval for using facilities will be granted for a period not to exceed three months. Requests must be resubmitted if the person or group desires to continue using the facility.

The Board expects the users to treat the facilities with respect. The user must agree to be responsible for any damage to district facilities or equipment.
