

Elgin School District 23

Code: **AD**
Adopted: 7/15/96
Readopted: 4/02/13
Orig. Code(s): AD

Educational Philosophy

The education system of this district, while maintaining flexibility in adapting to an ever changing society is dedicated to the personal development of each student to his/her potential through a sequentially coordinated curriculum that allows for individual differences, becoming proficient in the knowledge and skills of the student's current grade level and the opportunity to succeed.

To this end, staff members will strive to aid each student's intellectual, physical, moral, emotional and social growth so that he/she may become a responsible member of the community and lead a personally rewarding life.

As students develop abilities, they are expected to acquire proficiency of the skill subjects, attain efficient and satisfying work habits, grow physically strong, acquire wholesome interests to responsibly direct their lives, develop desirable social attitudes, assume citizenship responsibilities and cultivate intellectual interests.
