Individual Board Member's Authority and Responsibilities

An individual Board member exercises the authority and responsibility of his/her position when the Board is in legal session only.

A member of the Board has the authority to act in the name of the Board when authorized by a specific Board motion. When authorized to act as the district's designated representative in collective bargaining, a Board member may make and accept proposals in bargaining subject to subsequent approval by the Board.

A Board member has the right to express personal opinions. When expressing such opinions in public, the Board member must clearly identify the opinions as his/her own.

Members will be knowledgeable of information requested through Board action, supplied by the superintendent and gained through professional Board activities.

Members of the Board will adhere to the following procedures in carrying out the responsibilities of membership:

1. Request for Information

Any individual member of the Board who desires a written report or survey prepared by the administrative staff will make such a request to the superintendent. A copy of the material will be sent to each member of the Board. Requests for reports or information which require additional expense to the district must be submitted to the Board for consideration.

2. Requests for Legal Opinion

Any member of the Board may request a legal opinion. Such request, however, should be made through the Board chair to the superintendent. If the legal opinion sought involves the superintendent's employment or performance, the request should be made to the chair of the Board. Legal counsel is responsible to the Board.

3. Action of Complaints or Requests Made to Board Members

When Board members receive complaints or requests from staff, students or members of the public, such information is to be conveyed to the superintendent for action.

4. Board Member's Relationship to Administration

Individual Board members will be informed about the educational program of the district, may visit schools or other facilities to gain information and may request information from the superintendent. Board members will not intervene in the administration of the district or its schools.

5. Contracts Made by Individual Board Members

Contracts or agreements made by individual Board members without the Board's authority are invalid.
