## **Student Involvement in Decision Making**

The Board recognizes the value of student participation in decision making.

All students will be encouraged to attend open Board meetings and to participate in discussions.

In developing rules, regulations and arrangements for school system operation, the superintendent will include at the planning stage, whenever feasible and appropriate, a representative of those students who will be affected by such provisions.

The superintendent will establish procedures through which students can readily communicate their ideas and opinions regarding the operation of the schools.

The student representative shall not be a voting member of the Board or attend executive sessions. An interested student may be appointed as a representative to the Board. The student representative shall receive notice of meetings, the agenda and the appropriate agenda materials, be provided a place at the Board table and shall have the same privileges of discussion as apply to members of the Board.
