The principal shall, in determining appropriate disciplinary action, consider:

2. Placing the student in a setting where the behavior will receive immediate attention from a building administrator, counselor, licensed mental health professional or others;

The principal shall ensure notification is provided to:

1. The parent of any student in violation of this policy and the disciplinary action imposed;

Notification to the above shall be attempted by telephone or in person within 12 hours of discovery of a targeted list or learning of a threat. Regardless, a written follow-up notification shall be sent within 24 hours of discovery of a targeted list or learning of a threat.

The principal will provide necessary information regarding threats of violence to law enforcement, child protective services and health-care professionals in connection with a health and safety emergency if knowledge of the information is necessary to protect the health and safety of the student or other individuals. Additionally, he/she may provide such information to other school officials, including teachers, within the district who have a legitimate educational interest in the student(s) consistent with state and federal education records laws.

“Legitimate education interest” means a district official employed by the district as an administrator, supervisor, instructor or staff support member who need to review an educational record in order to fulfill his or her professional responsibilities, as delineated by their job description, contract or conditions of employment. Contractors, consultants, volunteers or other parties to whom an agency or institution has outsourced institutional services or functions may be considered a school official provided that party performs an institutional service or function for which the district would otherwise use employees, is under the direct control of the district with respect to the use and maintenance of education records, and is subject to district policies concerning the redisclosure of personally identifiable information.

The district may enter into contracts with licensed mental health professionals to perform student evaluations. Funds for evaluations or other disciplinary options as may be required by law and this policy shall be provided by the district.
