Executive Sessions

Executive sessions may be held during a regular, special, or emergency meeting for any reason permitted by law. Final action on an item discussed in executive session will be accomplished in open session except for the expulsion of students.

The presiding officer will announce the executive session by identifying the authorization under ORS 192.610 - .690 for holding such session, and by noting that the subject of the executive session will be undisclosed under ORS 192.660 (3). Members of the press may attend executive sessions except for those pertaining to negotiations and executive sessions or private hearings on the expulsion of minor students from district schools held pursuant to ORS 332.061 (2). Attendance of the press is contingent upon acceptance of rules governing disclosure of information announced by the presiding officer at the beginning of the executive session.

An executive session may be convened upon request of three Board members or by common consent of the Board for a purpose authorized under ORS 192.660.

If an executive session is held pursuant to ORS 332.061, the following shall not be made public: the name of the minor student; the issue, including the student's confidential medical records and educational program; the discussion; and each Board member's vote on the issue.

All executive session minutes not conducted under ORS 332.061 shall be kept in written or tape-recorded form.

Content discussed in executive sessions is confidential and must not be made public. Documents pertaining to evaluation, district personnel and students are also confidential and must not be made available to the public.
