

Elkton School District 34

Code: **EB**
Adopted: 8/10/98

Safety Program

Safe buildings, grounds, and equipment will be maintained in order to prevent accidents or injury to health of students, employees, and other citizens from fire, natural disasters, mechanical and electrical malfunction, and other hazards.

Buildings will be planned, equipped, and maintained in accordance with appropriate local, state, and federal safety regulations.

Buildings will be provided with alarm systems, fire extinguishers, and such other devices required by state and federal laws and regulations.

The Board will appoint a safety officer who will develop and implement a safety program which will include, but not be limited to, compliance with and enforcement of all state and federal laws, rules, and regulations.
