Driver Education

The following procedures shall be used in implementing the district's driver education program.

Tuition Rate

The superintendent will propose a tuition rate for the forthcoming program for Board adoption each July.

When a student requests a waiver or reduction of the established fee for driver education, the vending machine committee will review the request.

The committee shall only consider students who qualify for free or reduced price meals under the federal lunch program or students whose family believes the tuition is an extreme hardship.

Tuition waivers or reductions may result in:

1. Accessing a fund set aside to assist needy students;
2. Setting up a work program with the student;
3. Setting up a "payment plan";
4. Other.
