## Alternative Educational Programs

The Board is dedicated to providing educational options for all students. It is recognized there will be students in the district whose needs and interests are best served by participation in an alternative education program.

A list of alternative programs will be approved by the Board annually. The superintendent may provide for the involvement of staff, parents and the community in recommending alternative programs for Board approval. Annual evaluation of alternative programs will be made in accordance with OAR 581-022-1350. The superintendent will develop administrative regulations as necessary to implement this requirement..

Alternative programs will consist of instruction or instruction combined with counseling. These programs may be public or private. Private alternative programs shall be registered with the Oregon Department of Education. Alternative programs must meet all the requirements set forth in ORS 336.631 and 336.637. A qualified school district may contract with a qualified private alternative education to provide services to a qualified home-schooled child.

Students, upon parent request, may be placed in an alternative program if the district determines that the placement serves the student's educational needs and interests. Such placement must have the approval of the student's resident district and, as appropriate, the attending district. Requests received by the Elkton District shall be placed on the board agenda of the next board meeting. The Superintendent shall submit his recommendation prior to board action. The district will also consider and propose alternative education programs for students prior to expulsion or leaving school as required by law.

The district shall pay the actual alternative program cost or an amount equal to 80 percent of the district's estimated current year's average per-student net operating expenditure, whichever is less. The district will enter into a written contract with district-approved private alternative programs.
