

Elkton School District 34

Code: **IICAA**
Adopted: 1/11/99

Senior Trips

The district recognizes senior trips as an extension of the school experience. District-sponsored senior trips may be authorized.

In-state and out-of-state senior trips require approval by the Board.

Students participating in senior trips will be subject to the student code of conduct. Violations will result in appropriate disciplinary action and may include referral to law enforcement.

Private groups and organizations may be permitted to use district facilities and equipment during nonschool time to promote senior trips on the same basis as facilities and equipment are provided to others.

Advertising, including the distribution of materials, will be allowed during the school day with the permission of the building principal.

Private groups and organizations may not use the district name in any way to promote their activities.

The superintendent will develop administrative regulations for district-sponsored senior trips, including the approval process, procedures to be used in case of accident or illness and student conduct violations.
