

Corporal Punishment

The use of corporal punishment in any form is strictly prohibited in Elkton School District. No student will be subject to the infliction of corporal punishment by any teacher, other student, administrator, or other school personnel.

Corporal punishment is defined as the willful infliction of, or willfully causing the infliction of, physical pain.

No teacher, administrator, student, or other person will subject a student to corporal punishment or condone the use of corporal punishment by any person under his or her supervision or control. Permission to administer corporal punishment will not be sought or accepted from any parent, guardian, or school official.

A staff member is authorized to employ physical restraint when, in his/her professional judgment, the physical restraint is necessary to prevent a student from doing harm to others, to himself/herself, or to school district property. Physical force shall not be used to discipline or punish a student. The superintendent shall inform all staff members and volunteers of this policy.
