

Elkton School District 34

Code: **JGD**
Adopted: 8/10/98
Readopted: 12/14/15

Suspension

The Board authorized student suspension for one or more of the following reasons:

1. Willful violation of Board policies, administrative regulations or school rules;
2. Willful conduct which materially and substantially disrupts the rights of others to an education;
3. Willful conduct which endangers the student, other students or staff member;
4. Willful conduct which damages or injures district property.

Students and parents are given notice of possible discipline actions resulting from student misconduct that may result in suspension in the Student/Parent Handbook or code of conduct made available by the district.

Each suspension will include a statement of the reason for suspension, the length of the suspension and a plan for readmission and may include a plan for the student to make up school work. No suspension shall extend beyond ten school days. The district may require a student to attend school during non-school hours to include Saturdays, as an alternative to suspension. Every reasonable and prompt effort must be made to notify the parents of the suspended student.

In emergency situations that are a result of risk to health and safety, the district may postpone the suspension notice process above until the emergency condition has passed.

Students who are suspended may not attend after-school activities and athletic events, be present on district property without a parent, or participate in activities directed or sponsored by the district.

Suspensions may be appealed to the Board.
