## Student Insurance

The school district will make available accident insurance for all regularly enrolled students in grades K-12.

Insurance will cover students for accidental injury received while participating in any school sponsored and supervised activity or while going to and from a school sponsored activity while under supervision of school appointed personnel.

Students participating in athletics will be required to have insurance before participation. Athletes may purchase supplemental insurance through the accident insurance available or have their own insurance. Student athletes who cannot afford insurance will be provided with insurance through the OSAA trust fund.

The Elkton School Board will decide the type and limits of coverage to be provided and will select the carrier.
