

Psychological Testing of Students

Psychological tests will be administered to students only by certified school psychologists/psychometrists employed for this purpose or by interns under their supervision. Adherence to this policy will ensure quality psychological services and will protect the educational rights, dignity, and privacy of students and parents.

Psychological evaluations will be made only after informed and written consent of the child's parent or guardian is obtained, unless the student is of legal age to give his/her informed and written consent. Parents will also be informed of their right to: 1) Inspect all psychological records pertaining to their student and 2) a hearing to challenge the contents of their students psychological records.

Psychological data will be only one of several criteria for determining any change in a student's educational program. Psychological data older than three years will not be used as the basis for prescriptive teaching or placement.

To insure confidentiality of psychological records, written parental consent is required prior to the release of psychological data.

Education records will be released only in accordance with law.

Students 18 and older will be extended all education record rights heretofore accorded to parents.
