

Discrimination Complaint Procedure

Complaints regarding discrimination or harassment, on any basis protected by law, shall be processed in accordance with the following procedures:

Step 1: Complaints may be oral or in writing and must be filed with the administrator/supervisor or district compliance officer. The administrator/supervisor or district compliance officer shall investigate and determine the action to be taken, if any, and reply, in writing, to the complainant within 10 school days of receipt of the complaint.

Any staff member that receives a written or oral complaint shall report the complaint to the administrator/supervisor or district compliance officer.

Step 2: If the complainant wishes to appeal the decision of the administrator/supervisor or district compliance officer, he/she may submit a written appeal to the superintendent or designee within five school days after receipt of the administrator's/supervisor's or district compliance officer's response to the complaint. The superintendent or designee may review the administrator/supervisor or district compliance officer's decision and may meet with all parties involved. The superintendent or designee will review the merits of the complaint and the administrator/supervisor or district compliance officer's decision and respond, in writing, to the complaint within 10 school days.

Step 3: If the complainant is not satisfied with the decision of the superintendent or designee, a written appeal may be filed with the Board within five school days of receipt of the superintendent's or designee's response to Step 2. The Board may decide to hear or deny the request for appeal. The Board may meet with the concerned parties and their representative at the next regular or special Board meeting. The Board's decision will be final and will include the legal basis for the decision, findings of fact and conclusions of law. A copy of the Board's final decision shall be sent to the complainant in writing within 10 days of this meeting.

If the administrator/supervisor or district compliance officer is the subject of the complaint, the individual may file a complaint with the superintendent or designee. If the superintendent is the subject of the complaint, the complaint should be referred to the Board chair. The Board may refer the investigation to a third party.

Complaints against the Board as a whole or against an individual Board member, should be made to the Board chair and may be referred to district counsel. Complaints against the Board chair may be made directly to district counsel.

Timelines may be extended based upon mutual consent of both parties in writing.

If the complainant is not satisfied after exhausting local complaint procedures or 90 days, whichever occurs first, he/she may appeal in writing to the Superintendent of Public Instruction under Oregon Administrative Rule (OAR) 581-022-1940.
