## Budget Amendment Procedures

The budget estimates and proposed ad valorem property tax amount or rate of any fund as shown in the budget document may be amended by the Board prior to adoption. During the fiscal year or budget period for which the original budget was adopted, the board may only use the supplemental budgeting processes as per ORS 294.471.

The amount of estimated expenditures for each fund in an annual budget, however, may not be increased by more than \$5,000 or 10 percent of the estimated expenditures, whichever is greater. The amount of estimated expenditures for each fund in a biennial budget may not be increased by more than \$10,000 or 10 percent of the estimated expenditures, whichever is greater.

The ad valorem property tax amount or rate to be certified may not exceed the amount approved by the budget committee, unless the amended budget document is republished and another public hearing is held as required by law.
