## Naming New Facilities

It is the Board's policy to name schools and/or facilities for persons who have attained prominence locally and nationally, or in the fields of education, science, art, statesmanship, political science, military achievement, early pioneers of Clackamas County, or the State of Oregon, or after the name of the geographic area which it serves.

The general procedure for selecting a school name shall be as follows:

1. The Board will appoint a committee of two citizens from the immediate community served by the particular school, one representative from the teacher group, one representative from the classified employees group, one board member, and one student;
2. The appointed committee will seek community input for name proposals, then present a list of not less than three names nor more than five to the superintendent who will forward the list to the Board.
3. The Board will then make the final selection of the name from the list of names submitted by the committee.

END OF POLICY
