Promotion and Retention of Students**

The Board is dedicated to total and continuous development of each student enrolled. The professional staff are expected to place students at the grade level best suited to them academically, socially and emotionally.

In grades K-8, students will normally progress annually from grade to grade. Exceptions may be made when, in the judgment of the professional staff, such exceptions are in the best educational interest of the students involved. Retention will only be implemented after prior notification and explanation to the student's parents, but the final decision will rest with school authorities.

Beginning with grade 9, promotion and retention decisions will be dictated by Board policy IKF - Graduation Requirements and accompanying administrative regulations.
