## Admission of Foreign Exchange Students

The Board encourages the high school(s) to participate in student foreign exchange programs.

Foreign exchange students must meet the regulations and expectations of local students, including the immunization requirements.

An honorary high school diploma will be awarded at regular commencement exercises to all foreign exchange students who successfully meet the necessary academic requirements during the year in which they attend.

Foreign exchange students will be encouraged to participate in all student activities and will be eligible to participate in interscholastic athletics, provided academic requirements and Oregon School Activities Association criteria are met.

The district reserves the right to limit the number of foreign exchange students in a given year.

As per federal law, privately sponsored foreign exchange students on an F-1 Visa may only attend secondary schools within the district and are required to pay tuition at the established district rate. The period of attendance may not exceed 12 months.

Foreign exchange students attending district schools on a J-1 Visa as part of a group-sponsored program are not required to pay tuition.
