

Eugene School District 4J

Code: **BA**
Adopted: 8/02/17

Board Goals

The Board is responsible to the people for whose benefit the district has been established. Further, the Board's current decisions will influence the future course of education in the district's schools. By virtue of this responsibility, the Board and each of its members must look to the future and to the needs of all district citizens. This requires a comprehensive perspective and long-range plan in addition to addressing immediate problems.

The Board's primary responsibility is to establish policies, purposes and programs which will best produce educational achievement. The Board is charged with accomplishing this while also being responsible for wise management of available resources. The Board must fulfill these responsibilities by functioning primarily as a legislative body which formulates and adopts policy, by selecting a chief executive officer to implement policy and by evaluating the results. Further, it must carry out its functions openly and seek the involvement of students, staff and the public during its decision-making processes.

In accordance with these principles, the Board, through its operations, will review and vote to adopt Board goals.
