

Eugene School District 4J

Code: **EB/EBC**
Adopted: 7/2/73
Orig. Code(s): 8610

School Safety and Emergency Planning

The School Board of District 4J believes that emergency planning and procedures, safety education, and accident prevention are important to everyone concerned with our schools, not only as protective measure during school hours, but also as an instructional means of developing an appropriate mode of behavior to minimize accidents at all times. Thus, it shall be the policy of the school board to provide for the safety of all pupils, employees, and members of the public at all times while they are engaged in school district activities. The superintendent shall be responsible for developing and implementing a school safety plan in accordance with district policy.
