

Eugene School District 4J

Code: **FEA**
Adopted: 6/16/75
Revised: 2/23/05
Orig. Code(s): 8420

Capital Improvements

The design and/or engineering of alterations, renovations or any other physical improvement to district facilities shall be approved, prior to implementation, by the facilities director or designee.

If a project will substantially change the physical appearance of any district facilities, the facilities director will refer the matter to the superintendent for possible board consideration.

END OF POLICY
