Use of Tobacco Products

The Board recognizes its responsibility to promote the health, welfare and safety of students, staff and others on school district property and at school-sponsored activities. In light of the scientific evidence that the use of tobacco is hazardous to health and to be consistent with district curriculum and Oregon law, it is the intent of the Board to establish a tobacco-free environment.

No student, staff member, or school visitor is permitted to smoke, inhale, dip, or chew, or sell tobacco at any time, including non-school hours:

1. In any district building, facility, or vehicle owned, leased, rented, or chartered by the school district, or school or public charter school, or
2. On school grounds, athletic grounds, or parking lots or other property used by the district.

For the purpose of this policy, “tobacco” is defined to include any lighted or unlighted cigarette, cigar, pipe, bidi, clove cigarette, and any other smoking products; smokeless tobacco, also known as spit tobacco, dip, chew, snus, and snuff, in any form; and nicotine or nicotine delivering devices, chemicals or devices that produce the physical effect of nicotine substances or any other tobacco substitute (e.g., e-cigarettes). This does not include FDA-approved nicotine replacement therapy products used for the purpose of cessation.

The school district shall establish policies and procedures for enforcing this policy with students, employees, and visitors. The school district shall notify students, families, educational personnel, and school visitors of the tobacco-free policy and procedures in handbooks and newsletters, on posted notices or signs, and by other efficient means.
