Student Conduct**

The Board expects student conduct to contribute to a productive learning climate. Students shall comply with the district's policies, administrative regulations, school and classroom written rules, pursue the prescribed course of study, submit to the lawful authority of teachers and school officials and conduct themselves in an orderly manner during the school day and during district-sponsored activities.

Careful attention shall be given to procedures and methods whereby fairness and consistency without bias in discipline shall be assured each student. The objectives of disciplining any student must be to help the student develop a positive attitude toward self-discipline, realize the responsibility of one's actions and maintain a productive learning environment. All staff members have responsibility for consistency in establishing and maintaining an appropriate behavioral atmosphere.

A student handbook, code of conduct or other document shall be developed by district administration and will be made available and distributed to parents, students and employees outlining student conduct expectations and possible disciplinary actions, including consequences for disorderly conduct. (See *Student's Rights and Responsibilities Handbook*.) In addition, each school in the district shall publish a student/parent handbook detailing additional rules specific to that school.

Students in violation of Board policy, administrative regulation and/or code of conduct provisions will be subject to discipline up to and including expulsion. Students may be denied participation in extracurricular activities. Titles and/or privileges available to or granted to students may also be denied and/or revoked. Restitution may be sought for willful damage to district property. Additionally, a student's driving privileges, or the right to apply for driving privileges, may be suspended for violations of ORS 339.254 and 339.257 as provided by Board policy JHFDA - Suspension of Driving Privileges. A referral to law enforcement may also be made.

The district will annually record and report expulsion data for conduct violations as required by the Oregon Department of Education.
