## Use of Tobacco by Students

No student is permitted to possess tobacco products in any building, facility, or vehicle, owned, leased, rented, or chartered by the school district, school, or public charter school, or on district grounds, athletic grounds, or parking lots.

For the purpose of this policy “tobacco” is defined to include any lighted or unlighted cigarette, cigar, pipe, bidi, clove cigarette, and any other smoking products, and spit tobacco, also known as smokeless, dip, chew, and snuff, in any form.

This policy will be implemented by reasonable efforts to monitor use and possession of tobacco products, including, but not limited to, action to cause violators to cease and desist when a violation takes place within the plain view of a school employee. When there is a reasonable suspicion that a student is possessing tobacco products in violation of this policy and state law, a school administrator or designee may follow the procedures for search and seizure outlined in the *Student Rights and Responsibilities Handbook*.
