Code: **BBFAA**
Adopted: 8/14/01
Readopted: 11/15/10

Anti Nepotism

It is the policy of Falls City School District to provide for employment opportunities that comply with all federal and state laws. However, Oregon law stipulates certain requirements related to real or potential conflicts of interest for governing body memberships, including elected or appointed school board members.

In consideration of the best interest of Falls City School District and the appropriation of public dollars, it is the policy of the Board of Directors not to allow employment of a Director's innmediate family by the District. The Board of Directors may, however, review specific cases effected by the policy, and may allow for the employment of a Director's innmediate family in extra ordinary cases, with conditions, as the Board deems prudent and necessary for District operations.
