School Building Administration

The Board reaffirms the building principals' rights and responsibilities for the administration of their programs and buildings within the broad scope of adopted Board policies.

Specifically, the principal of each individual school is responsible for development of the educational program, improvement of instruction, interpretation of the school's program to the community and the proper execution of staff practices consistent with state and federal law. All personnel will work through and under the principal's direction in the performance of their duties within a school.
