

Falls City School District 57

Code: **DBEA**
Adopted: 11/15/10

Budget Committee

Organization, Membership and Terms of Office

The district budget committee will consist of the five members of the Board and five electors appointed by the Board as required by law. Terms of the appointed members of a budget committee in a district that prepares a biennial budget will be two years. If the number of members of budget committee appointees is less than five, the Board may act as its own budget committee. The Board will establish appropriate timelines and procedures for appointment of budget committee members.

A majority of the constituted committee is required for passing an action item. Majority for a 10-member budget committee is six. Therefore, if only six members are present, a unanimous vote is needed for passing an action item.

Presiding Officer and Orientation of Budget Committee

1. **Organization:** The budget committee will hold its first regular organizational meeting on a day set by the Board. A presiding officer shall be elected from among its members at this meeting. Such meeting may be prior to or on the date the budget message and document are presented.
2. **Background Information:** Budget committee members will be provided with data for the ensuing year(s), such as the Board's educational plan, and other pertinent material bearing on the preparation of the district budget.

Meetings of the Budget Committee

The budget committee shall hold one or more meetings to receive the budget message, the budget document and to provide members of the public with an opportunity to ask questions about and comment on the budget document. The budget officer shall announce the time and place for all meetings, as provided by law. All meetings of the budget committee are open to the public.

Function of the Budget Committee

It is the function of the budget committee to approve budget estimates for an educational plan previously determined by the Board. No new program should be considered for the budget estimate that has not previously been submitted to the Board and approved as a part of the educational plan. The budget committee will determine levels of spending, but will not determine programs.

Final Action

The budget committee will approve an estimated budget document for submission to the Board.
