Budget Adoption Procedures

After the budget document has been approved by the budget committee, a public hearing will be held regarding the budget document. The date, time and place will be determined by the Board. At the hearing, any person may speak for or against items in the budget document.

After the public hearing on the budget and any modifications of the budget deemed necessary as a result of that hearing, the Board will approve the proper resolutions to adopt and appropriate the budget. The Board will further make and declare the tax levy amount for each fund.

The Board will adopt a resolution authorizing the superintendent to certify the levy to the county assessor for the ensuing fiscal year.
