

School Bus Scheduling and Routing

Actual bus stops and routes will be determined by the transportation supervisor and building administrators and will be based upon efficiency, safety, Board policy and applicable state and federal laws and rules.

The determination of safe roads for school bus travel will be made by the transportation supervisor and building administrators with a final review by the superintendent.

The superintendent will:

1. Review and assess school bus routes, stops and loading zones for safety, changing student population and supervision of students with the building administrators at least annually;
2. Authorize the advising of parents of any changes in transportation policy affecting their students as early as possible and be responsive to parents' calls for assistance in seeking alternatives to busing; and
3. Work with cities, the county and other appropriate governmental agencies on a continuing basis regarding transportation issues.
