

Falls City School District 57

Code: **GBEBC/JHCCC/EBBAA**
Adopted: 4/9/02
Readopted: 11/15/10

News Media – HIV, AIDS, HBV, HCV or Bloodborne Pathogens

The district shall use universally recognized precautions at all times for infection control. Each staff member or student is therefore treated as though an HIV, AIDS or Hepatitis B infection exists.

The district shall develop an exposure control plan that includes infection control procedures for staff and students.

Procedures for staff and students shall include annual in-services; first-aid kits readily accessible in the building and provided in each school vehicle; correct procedures for cleaning up body fluid spills and for personal cleanup.

END OF POLICY
