The identity of a subject individual requiring fingerprinting will be provided by the district to the authorized fingerprinter for verification.

A subject individual shall be subject to fingerprinting only after acceptance of an offer of employment or contract.

The district shall begin the employment of a subject individual or terms of a district contractor on a probationary basis pending the return and disposition of the required criminal records checks.

A subject individual who has been convicted of any crimes prohibiting employment or contract will be terminated and/or will not be employed or contracted. A subject individual who fails to disclose the presence of convictions that would not otherwise prohibit employment or contract with the district as provided by law will not be employed or contracted with by the district. A subject individual who knowingly made a false statement as to the conviction of any crime will not be employed or contracted with by the district.

The district's use of criminal history must be relevant to the specific requirements of the position, services or employment.

The service of a volunteer allowed to have direct, unsupervised contact with students may begin on a probationary basis pending the return and disposition of a criminal records check.

A subject individual who knowingly made a false statement or has been convicted of a crime listed in ORS 342.143 will result in immediate termination from the ability to volunteer in the district.

Fees associated with a criminal records check and/or fingerprinting may be charged.

The superintendent shall develop administrative regulations as necessary to meet the requirements of law.
