Parents are reminded that this transfer application, if approved, will allow the student to complete an academic transfer, but does not guarantee eligibility to participate in competitive interscholastic activities at the receiving school. Competitive eligibility is determined by Oregon School Activities Association (OSAA) rules. If you have questions about OSAA eligibility, contact the building administrator at the receiving school prior to completing this transfer.

I understand that it is necessary and required for me to assume all responsibility for transportation. I also understand that this agreement may be revoked if failure by student to abide by Fall City School District's policies, procedures and school rules. I further understand that for this nonresident transfer to continue, there must be an ongoing positive relationship between the parent(s)/guardian(s) and the school that enhances the probability of success for the transfer student, the other students in the school and the teachers(s). In addition, I authorize the release and exchange of confidential information regarding the student named.
