

Administrative Regulations

Administrative regulations are detailed directions governing the operation of the schools.

The superintendent is directed to formulate such administrative regulations appropriate for the implementation of policies adopted by the Board and necessary for the consistent operation of the district.

Administrative regulations need not be approved by the Board except as required by law, but the superintendent may request approval in cases where strong community, staff or student attitude make it necessary or advisable for Board approval or in instances where the superintendent feels that the Board should be involved.

When approved by the superintendent, administrative regulations will be distributed and included with existing policy online.

The Board may review any administrative regulation and may revise it by majority vote if, in the Board's judgment, such regulation is not consistent with adopted policies as available online.
