District Budget

Prior to June 30 of the current fiscal year, the Board will adopt and appropriate the budget for the following fiscal year.

The district budget will serve as the financial plan of operation for the district and will include estimates of expenditures for a given period and purpose and the proposed means of financing the estimated expenditures. The district may provide that the budget and budget documents be prepared on an annual or biennial basis.

The budget will be prepared and authorized in compliance with local budget law. The superintendent will be designated as budget officer.
