Mail and Delivery Services

The interschool mail service is established for school-related purposes. It provides a central mailing service to expedite the distribution of materials and professional communications among schools and staff members.

To avoid overburdening the service, neither employees nor constituents will be allowed to use interschool mail for the delivery of personal letters, notes, and materials to other employees.

The recognized collective bargaining units will be permitted to use the service in accordance with the terms of their contracts and Board policy on the use of district facilities.
