Early Graduation**

A student who, for sound educational and vocational reasons, wishes to graduate from high school in less time than the ordinary grade 9-12 sequence may request permission to complete graduation requirements on an altered schedule. The student and his/her parents will consult with high school guidance personnel in order to develop a graduation plan. Their intention to accomplish this plan will be stated in writing to the principal for approval. Should the student complete the agreed upon graduation plan the District will award a EHS Diploma.

A student who has successfully completed the junior year with fewer than the required credits for graduation, and is then accepted at an accredited college or junior college, may receive his/her high school diploma if, at the completion of the first semester, he/she is in good scholastic standing at the college and fulfilled the district's minimum diploma requirements.
