Graduation Exercises

Because the Board believes that completion of the requirements for a diploma, a modified diploma, extended diploma or alternative certificate from the public schools is an achievement that improves the community as well as the individual, the Board wishes to recognize that achievement in a publicly celebrated graduation exercise.

Accordingly, appropriate graduation programs shall be planned by the district on the date selected by the Board.

Only those students who have successfully completed the requirements for a senior high school diploma, or a modified diploma, extended diploma or alternate certificate and are in good standing may participate in graduation exercises.
