Supervision of Students**

The Board expects all students to be under assigned adult supervision at all times when they are in school, on district grounds, traveling under district auspices or engaging in district-sponsored activities. District personnel assigned this supervision are expected to act as reasonably prudent adults in providing for the safety of the students in their charge.

In keeping with this expected prudence, no teacher or other staff member will leave his/her assigned group unsupervised except as an arrangement has been made to take care of an emergency.

During school hours, or while engaging in district-sponsored activities, students will be released only into the custody of parents of other authorized persons.
