

## **Reporting of Suspected Abuse of a Child**

### **Reporting**

Any district employees having reasonable cause to believe that any child with whom the employee comes in contact has suffered abuse, or that any person with whom the employee comes in contact has abused a child, shall orally report or cause an oral report to be immediately made by telephone or otherwise to the local office of the Oregon Department of Human Services (DHS) or to a law enforcement agency within the county where the person making the report is at the time of his/her contact. The district employee should also immediately inform his/her supervisor, principal and superintendent. If known, such report shall contain the names and addresses of the child and the parents of the child or other persons responsible for the child's care, the child's age, the nature and extent of the suspected abuse, the explanation given for the suspected abuse, any other information which the person making the report believes might be helpful in establishing the possible cause of the suspected abuse and the identity of a possible perpetrator.

A written record of the abuse report shall be made by the employee suspecting the abuse of a child. The written record will be made using the district's abuse reporting form which includes at a minimum:

1. The name and position of the person making the report;
2. The names and addresses of the child and of the parents of the child or other persons responsible for the child's care and the age of the child;
3. The name and position of any witness to the report;
4. A description of the nature and extent of the abuse, including any information which could be helpful in establishing cause of abuse and identity of the abuser;
5. A description of how the report was made (i.e., phone or other method);
6. The name of the agency and individual who took the report;
7. The date and time that the report was made; and
8. The names of persons who received a copy of the written report.

The written record of the abuse report shall not be placed in the student's educational record. A copy of the written report shall be retained by the employee making the report and a copy shall be provided to the employee's supervisor and/or superintendent.

When the district receives a report of suspected abuse of a child by one of its employees, and the superintendent determines that there is reasonable cause to support the report, the district shall place the district employee on paid administrative leave until the DHS or a law enforcement agency either: 1) determines that the report is unfounded or that the report will not be pursued; or 2) determines that the report is founded and the education provider takes the appropriate disciplinary action against the district employee. If the DHS or a law enforcement agency is unable to determine whether the abuse of a child occurred the district may either reinstate the employee or take disciplinary action at the district's discretion.

The written record of each reported incident of abuse of a child, action taken by the district and any findings as a result of the report shall be maintained by the district.
