Budget Committee

By law, the budget committee is charged with decision making concerning financial priorities.

The budget committee will have the responsibility for reviewing the financial program of the district, reviewing the proposed district budget as presented by the superintendent and recommending an annual district budget in keeping with the provisions of applicable state laws. The budget committee will determine levels of spending, but will not determine programs.

The budget committee consists of five members appointed by the Board plus the elected members of the Board. The Board may appoint an alternate for a one-year term. To be eligible for appointment, the appointive member must: (1) live in the district; (2) not be an officer, agent or employee of the district. No budget committee member may receive any form of compensation from the district.

The student representative to the Board or designee may participate in the budget committee process as a nonvoting member. A majority of the constituted committee is required for passing an action item. Majority for a 10-member budget committee is 6. Therefore, if only 6 members are present, a unanimous vote is needed for passing an action.

At its first meeting in September, the Board will identify vacant budget committee positions which must be filled by appointment of the Board. The Board will announce the vacancies and receive applications from interested persons during the month of November. Such applications will include a signed statement that the applicant is willing to serve as a member of the budget committee and to adhere to the policies of the district. The Board may appoint budget committee members to as many consecutive terms as deemed appropriate.

At the first regular Board meeting in December, the Board will review the names of persons filing applications and names of those persons who have served previously and are willing to be reappointed.

At the first regular meeting in December, the Board will appoint persons to fill the vacant positions.

The appointive committee members of a budget committee in a district that prepares an annual budget will be appointed for three-year terms. The terms will be staggered so that, as near as practicable, one-third of the appointive members' terms end each year.

If any appointive member is unable to complete the term for which he/she was appointed, the Board will announce the vacancy at the first regular Board meeting following the committee member's resignation or removal. An appointment to fill the position for its unexpired term will be made at the next regular Board meeting.

At its first meeting after appointment, the budget committee will elect a presiding officer from among its members. It may also establish other ground rules as necessary for successful operation of the committee.

The budget committee shall hold one or more meetings to receive the budget message, receive the budget document and to provide members of the public with an opportunity to ask questions about and comment on the budget document. The budget officer shall announce the time and place for all meetings, as provided by law. All meetings of the budget committee are open to the public.

The budget committee may request the superintendent or business manager for any information used in the preparation of, or for revising the budget document. The committee may request any district employee to attend its meetings. The budget committee will approve the budget document as submitted by the superintendent or as subsequently revised by the committee.

Educational policy decisions are the responsibility of the Board, not the budget committee. The committee does not have the authority to add programs or to approve additional personnel or increase salaries. While the committee may, in effect, delete programs because of a fund decrease in arriving at a levy figure, the committee is charged primarily with a fiscal review of programs. The committee may, alternatively, set an amount that changes the recommended budget and may request the administration make such changes in accordance with priorities set by the Board.

After approval of the original or revised budget document the budget committee's duties cease. The hearing on the approved budget is held by the Board.
