Naming New Facilities

The general policy is to name facilities for persons who have attained prominence locally and nationally or in the fields of education, science, art, statesmanship, political science or military achievement; early pioneers of Washington County or the state of Oregon; or after the name of the geographic area which it serves.

Names may be presented by petition, chosen by committees or by other representative groups in the area.

The Board has the final decision in naming facilities.

The Board may officially name a school or facility on or before the bid is let for construction of the facility.
