## Title I/Parental Involvement

The board recognizes that parent involvement programs and policies that create a home/school partnership focused on student achievement are vital to maximum learning for students participating in the district's Title I program. Therefore, in compliance with federal law and Oregon Department of Education guidelines, the district's Title I schools shall meet with parents to provide information regarding their school's participation in the Title I program and its requirements.

The board directs the superintendent to ensure that such meetings are held annually and at a convenient time. All parents of participating students shall be invited to attend. Title I funds may be provided for transportation, childcare, home visits or other parental involvement services, as appropriate. The superintendent shall ensure equivalence among schools in teachers, administration and other staff, and in the provisions of curriculum materials and instructional supplies.

Parents shall be informed of their right to be involved in the development of the district's Title I parental involvement policy, Title I plan, Title I school parent involvement policies and school-parent compact.

The Superintendent shall develop administrative regulations, as necessary, to implement this policy and meet the requirements of the law.
